

Seminar on Ph.D work Dated 15th August, 2015

On the occasion of 69th Independence Day of Republic of India, the members of faculty of NIT, AP have presented their research work leading to Ph.D under the supervision of Prof(Dr.) Chandan Tilak Bhunia, Director, NIT, AP at the seminar Hall. The list of the speakers and their respective Ph.D titles are described as below:

SL. No.	Name of the Ph. D Scholar	Topic of Presentation
1	Koj Sambo, Assistant Prof., CSE	Study On Reducing Latency in Cloud Computing Architecture
2	Anish Kumar Saha Assistant Prof., CSE	Green Computer Networking Architecture: Design and Analysis
3	ManashPratim Dutta Assistant Prof. CSE	An approach to develop protocols for Automatic Variable Key (AVK) to get high security and wide flexibility in cryptosystem
4	Subhashis Banerjee Assistant Prof. CSE	Study and Development of Various Scheme to Achieve the Perfect Security over Insecure Communication Networks
5	Yang Saring Assistant Prof. ECE	Energy efficient Network Coding based cooperative Hybrid-ARQ Protocol for Wireless Network
6	Mr. SantanuMaity, Assistant Prof., ECE	Efficiency enhancement of Si solar cell through improved processes and better contacts
